

FROM REVELATION TO STRATEGY

Turn what you're praying about into a plan.

Work through each box honestly. Name the mountain, examine the reality, find the biblical pattern, then leave with a prayer strategy and one dated assignment.

1 Clarify the mountain

In one sentence, what are you facing, and what outcome are you seeking?

2 Examine the reality

What is actually happening? Circumstances, behaviors, assumptions, fears, patterns. Facts, not commentary.

3 Identify the agreement

What have you come to believe about this situation, yourself or God that isn't true? Is there anything to repent of or release? (1 John 1:9)

4 Find the biblical pattern

Which Scripture, promise or story speaks to this? Write the reference and the verse.

5 Write the prayer strategy

I WILL ASK GOD FOR...

I WILL PRAY IT WHEN / HOW OFTEN...

DECLARATION AFTER PRAYER

6 Define the action

MY ASSIGNMENT

DEADLINE

WHAT "DONE" LOOKS LIKE

7 Establish accountability

WHO WILL ASK ME ABOUT IT

CHECKPOINT DATE

8 Measure the movement

At your checkpoint: what changed, what did God show you, and what is the next faithful step?
